Rashtrapita Mahatma Gandhi Art, Commerce And Science College, Saoli!!

World Cancer Day Report

05/02/2024

World Cancer Day happens every year on 4th February. But 4th February was Sunday so Rashtrapita Mahatma Gandhi Art, Commerce and Science Colloge celebrated cancer day on 5th February. Department of Zoology had organized a poster presentation. Students prepared poster for poster presentation. Through these poster some slogan also given here, Together, ,we're stronger than cancer! Fight cancer with hope and heart! Awareness today, a cure tomorrow ! Cancer can't Silence our courage!

World Cancer Day 2024 the theme is still " Close the Care Gap". The campaign is all about understanding and recognizing the inequities in cancer care around the globe. This World Cancer Day, we recognize the power of working together. It's about having an open mind, challenging assumptions and looking at the following hard facts:

- In equity in cancer care costs lives.
- People who seek cancer care hit barriers at every turn.
- Income, education, location and discrimination based on ethnicity, gender, sexual orientation, age, disability and lifestyle are just a few of the factors that can negatively affect care.
- The gap affects everyone, including you and your loved ones.
- These barriers are not set in stone. They can be changed.
- People who seek cancer care hit barriers at every turn.

This was the year to question the status quo and help reduce stigma; to listen to the perspectives of the people living with cancer and their communities and let those lived experiences guide our thoughts and actions. That's how we can begin to imagine a better way of doing things and to build a fairer vision of the future- a future where people live healthier lives and have better access to health and cancer services, no matter where they are born, grow, age, work or live. For this purpose department of zoology organized poster competition on world cancer day. Nine posters presented here. Poster competition was judged by prof.Devilal Watakhere (Head of Botany Department), Prof. Ashish Shende (Assistant Professor of Physics). This program arranged by Prof Mr. P.G. Ghagargunde(Head of Zoology Department) And Dr. Kiran R. Borkar(Assistant Professor Zoology Department).

The result of this competition is as follows

1st Prize – Pallavi Raut (B.Sc. III)

2nd Prize – Kitti V. Shelmake (B.Sc I)
