Report

Workshop on Sickel cell Awareness and Diagnosis

Date:- 2nd January 2025

Bharat Shikshan Prasarak Mandal's, Rashtrapita Mahatma Gandhi Arts, Commerce & Science College, Saoli's Department of Zoology in association with Research NGO, Pune On the occasion of Savitribai Phule's birth anniversary Jointly Organized "Sickel cell awareness and diagnosis program" on Thursday, 2nd January 2025, at Late. Wamanrao Gaddamwar Hall, Rashtrapita Mahatma Gandhi Arts, Commerce & Science College, Saoli, District- Chandrapur.

The program began with enlighting the lamp & welcome of guest by offering a floral bouquet. In the opening remarks, Dr. Ragini Patil introduced the guest and presented the program's introduction and objectives. In this program, Dr. Devendra Lingojwar, Project Director & Principal Investigator, Research NGO , Pune, Dr. Mohd. Zakir Sheikh, Project Field Incharge & Co-ordinator, Research NGO Pune were the Chief guest and the session chaired by Principal of the college Dr. A. Chandramouly sir.

Dr. Lingojwar explained about sickle cell anemia, how it occurs, what measures should be taken to prevent it, and how it can be managed. He emphasized the importance of maintaining vigilance regarding sickle cell anemia, advising on dietary considerations for patients and providing a comprehensive understanding of related issues. He mentioned that this disease is more Prevalent in malaria affected regions and large no of sufferers are there in Chandrapur district. He also added that sickle cell testing should be bring in education, if sickle cell testing skill is learnt by students it will reach to village and that will be a great revolution. Students were guided on all related matters.

Dr. Mohd. Zakir mentioned that Chandrapur & Gadchiroli will be knowledge hub in future so if students develop the skill of testing sickle cell they have a scope to become researcher and scientists. He also differentiate between sickle cell anaemia and Thalasemia.

Dr. A. Chandramouly, Principal, RMG College during his address emphasized that the program was conducted in the college to screen all the students for sickle cell anemia and raise awareness among them and their families and neighbors. He also stressed on increasing awareness among men and women. He also added that by developing testing skill students can save the life of villagers by reaching them.

The MOU is signed between Research NGO and Rashtrapita Mahatma Gandhi Arts, Commerce & Science College, Saoli and Dr. Lingojwar donated few equipments to the department of Zoology of the College through his NGO.

In this program, a total of 250 students participated from Arts, Commerce & Science faculties. In total 100 students screened by the volunteer students. Among them, one girl studying in B.Sc. I year was found to be positive for sickle cell anemia. All other students tested negative.

During this program, all the staff of RMG college, Saoli were also present. At the conclusion of the program, Dr. Vairale expressed gratitude to all guests & team, as well as the Principal, teachers and students of the College. Dr. Kapgate anchored the whole program.
